## Gianni Sofa & Sectional

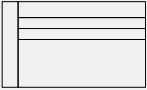

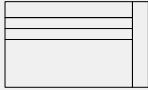

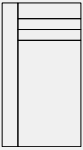

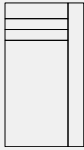

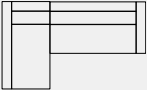

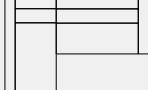

The GIANNI sofabed collection is a simple, contemporary design featuring wide arms with flanged seams and a bench seat that conceals a very high quality, Italian made sofa bed mechanism that deploys without having to remove any cushions. The mechanism comes with wood slats and a foam mattress to offer a maximum comfort whether you are sitting or sleeping. The optional storage lounge, in which bed sheets and pillows can be stored, makes it the ideal sectional that marries both comfort and utility.
